

II-VI SUWTECH Quotation

上海高意激光技术有限公司

To: 清华大学量子信息中心

Our Ref: QAS-1609001 清华大学

Atten. to: 蒋楠

From: 王俊

Tel: 15210589504

Tel: 15618236530

Fax:

Fax: +86-21-6485 0389

Email: jiangnl3@mails.tsinghua.edu.cn

Email: eric.wang@ii-vi.com

Your REQ: 2-Sep-16

Date: 2-Sep-16

Terms & Conditions:

1. Validity: This quotation is only valid for 180 days. We reserve the right of modifying the price. However, any modification will be informed in advance.
2. Please specify the key technical descriptions when ordering
3. Payment Terms: 100% prepayment before shipment.
4. Warranty: 12 months from shipment (Photop Suwtech Shanghai).
5. The lead time is for indicative purpose, and it will be confirmed after ordering.

Item	Part Number & Description	Unit Price	Quantity	Lead time
1	DTSXY-400-795 Optical Wavelength range: 795nm Aperture: 7.5 x 7.5mm ² Diffraction efficiency: >=50% across frequency range (2 axis) Access time: 6.5us with 4.2 mm beam diameter Resolution (N –Gaussian criterion): 250x250 @532 nm, 150x150 @1064 nm Maximum optical power density: Nom 5 W / mm ² RF Power / Connector: <= 2W / SMA	€ 9,800.00	2	12 weeks
2	DTSXY-400-800-xx Optical Wavelength range: 795nm Input polarization Linear -1 order on both axis Max beam diameter 6.7 mm Access time 1 μs/mm	€ 10,180.00	2	12 weeks

International Freight & Insurance:

Total: € 39,960.00
